

Assignment #2

**Representing an object**

Make sure to receive an object out of a collection in class. Prepare to create three representations of that object in a rectangular format of your choice. Representation are meant to be a collage, drawing and pictogram/icon. Apply the three works to an A3 sized (portrait) piece of paper.

There is no colour allowed. Collage and drawing may use grayscale, icon strictly black and white. Your work is supposed to be created on paper, do not work with a computer. Think of the composition of your representations on the A3 format, make sketches in advance.

Think of the composition of your representations on the A3 format, make sketches in advance. Keep in mind that scaling (e.g. by photocopy) is not an option.

*Collage* Use anything you like, copy it to black and white if needed.

*Illustration* Use black and white pens, pencils, brushes ...

*Pictogram* Draw your pictogram, you could e.g. geometrically construct and trace it, do not use greyscale!

The composition of your representations is up to you, keep in mind to prepare your representation in the correct size.
